

# OIA Lab 3: In Class Assignment

BIOE 385 Bioinstrumentation Laboratory

*Print a copy of this sheet and bring it to lab!*

**Student Name:** **Total Grade:** /20

**Student Name:** **Total Grade:** /20

**Student Name:** **Total Grade:** /20

## Pre-Lab Assignment

**Student Name:** **Grade:** /5

**Student Name:** **Grade:** /5

**Student Name:** **Grade:** /5

Have the Instructor or Teaching Assistant initial that you have demonstrated successful completion of each task where designated.

## **In-Lab Assignment**

Set up a LabView Interface to view and collect the data from your device.

To achieve full credit for this task, students must demonstrate a strong effort working in LabView and developing their GUI as well as a working data collection system. If one student appears to be doing all the work, the TA can assign different lab grades for each student. \_\_\_\_\_/15
